

YOUR STOCK'S STORY
IS STRONG.

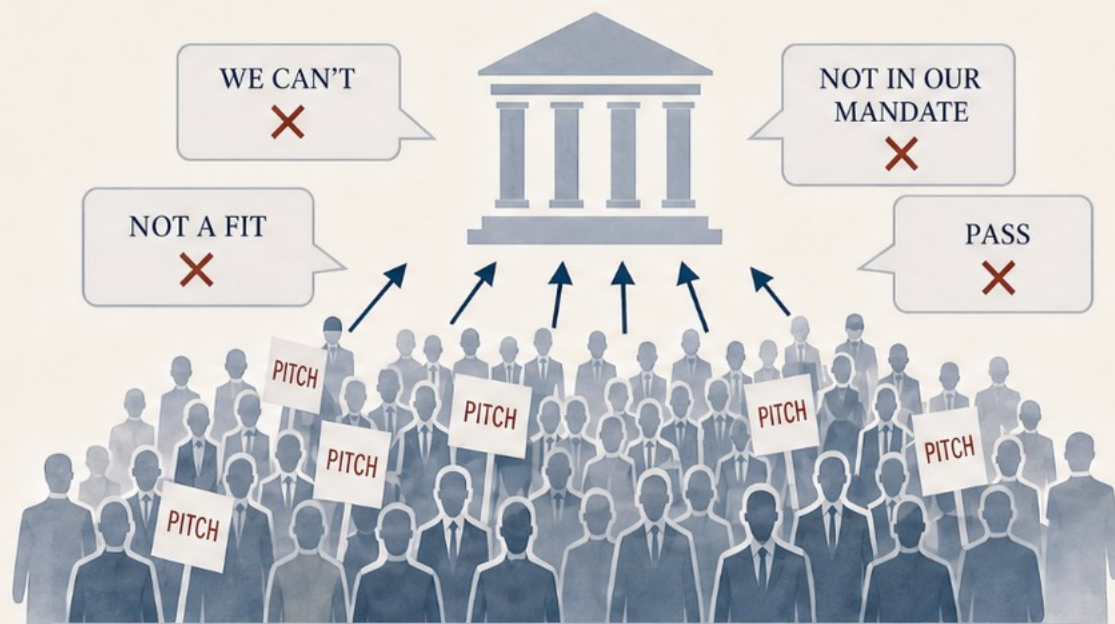

THE RIGHT INVESTORS
JUST HAVEN'T HEARD IT YET.

TRADITIONAL IR

You're competing for attention.

Limited to what they're allowed to buy

Everyone pitches. You're one of many.

Slow, crowded, and hard to get in.

HARD TO BREAK IN. HARD TO STAND OUT.

THE NEW IR APPROACH

They are actively looking for a stock with a great story.

No limits on what they can own

They actively look for strong opportunities

Fast, focused, and built for action.

EASY TO GET IN. EASY TO GET NOTICED.
